

LEADER'S SPEAK

Mr Deepak Mukerjee
Director

Peerless is one of the country's most trusted companies. It has always honoured the confidence its customers have reposed on it by discharging its responsibilities honestly and efficiently. It is renowned for the high ethical standards of its customer service.

Peerless has been in the service of its customers for over eight decades. In order to stay relevant to the needs of our customers, we have continued to expand the repertoire of our products and services into newer and newer areas and, in the process, have carved out a permanent niche in the hearts of our customers and of the community at large.
