

LEADER'S SPEAK

Mr Pranab Kumar Choudhury
Director

Over the decades, Peerless has come to be known for its experience, expertise and ethical standards in the financial sector. It has used its knowledge and expertise in this space to guide its subsidiaries, particularly those involved in financial services. Peerless Financial Products Distribution Ltd. is focused on the financial products distribution business. Peerless Securities Ltd. specializes in portfolio management while Peerless Funds Management Co. Ltd. & Peerless Trust Management Co. Ltd. are the custodians of Peerless Mutual Fund. Peerless Financial Services Ltd. is the lending arm of the Company. It is financing the business entities and individuals of the country so as to enable them not only in meeting their objectives but also in contributing to the economic development of the country. While finance continues to be the essence of Peerless, its subsidiaries in other sectors make Peerless a multi-faceted conglomerate in the truest sense of the term.
